

RESOURCE CHECKING™

YOUR CONSOLIDATED

RESOURCE FOR

BROKERAGE CHECKING

WHAT IS RESOURCE CHECKING®?

Resource Checking is a free service that allows you to write checks against the cash and money market fund balance(s) held in your brokerage account, and is designed to help you simplify your financial records by consolidating checking and brokerage activity onto one account statement.

With Resource Checking, you can establish direct deposit of your salary, pension, and Social Security checks into your brokerage account and avoid the hassle of unnecessary trips to the bank.¹ Additionally, you earn dividends on your money, without incurring monthly service charges and transaction fees.² If you have a CreditAdvance™ account³, Resource Checking enables you to write checks based on the funds available in your account, and receive an automatic line of credit on the loan value of marginable securities in your account. The amount of money you can borrow is subject to Pershing's CreditAdvance account policies which may be changed from time to time.⁴

HOW DO I ENROLL IN RESOURCE CHECKING?

Complete the enclosed application and separate it from the agreement at the perforation. Return the application to your investment professional or financial organization and keep the agreement for your records.

¹ To sign up for direct deposit, contact the organization(s) from which the funds will originate for their procedures to initiate this service.

² Checks are provided to you at no extra charge. There is a \$100 minimum for check writing. Fees that you may incur are as follows:

Stop Payment	\$10.00
Returned Check (for any reason)	\$20.00
Check Copy Request	\$ 2.50

*Additional fees may apply.

³ CreditAdvance is margin lending and may not be appropriate for all investors. The risks should be carefully evaluated. If the market value of your portfolio depreciates, you may be required to deposit additional funds or marginable securities into the account. Failure to satisfy account maintenance requirements will result in restrictions on your account and liquidation of sufficient securities to bring your account to an acceptable equity level.

⁴ Margin lending through CreditAdvance requires an additional signed agreement with Pershing. Contact your investment professional for further information.
